Determination of DDA Eligibility

YES

NO

Is s/he eligible for SSI?

YES

NO

If eligible for SSI, you may still qualify for personal care and other services under Community First Choice (CFC):
- For persons under age 18, contact DDA.
- Persons 18 or older, apply for CFC through a DSHS Home & Community Services Office.

If your family income is too high to qualify for SSI, your child may still be eligible for services, such as Individual and Family Services and other waiver programs (see below).

Is there still an unmet need?

YES

NO

Request a Home and Community Based Services waiver that will better meet your son/daughter’s needs. If s/he is eligible, and there is not enough funding, s/he will be placed on the service request list.

Let your DDA case manager know if your son/daughter’s needs or conditions change.
