

Individual & Family Services

If your son or daughter is a client of the **Developmental Disabilities Administration (DDA)**, they may be eligible to receive a broad array of services and supports through the Individual & Family Services (IFS) waiver. IFS has four different funding levels (determined by assessed need): \$1200; \$1800; \$2400; \$3600.

Family Income is Not Considered. After an assessment determines level of need, a financial eligibility determination is made based on the individual's income*, not the family's. In addition to IFS services, clients on the IFS waiver will be eligible for Apple Health/Medicaid health care.

*DDA clients who have resources in their name in excess of \$2,000 may not be eligible for the IFS waiver.

IFS SERVICES INCLUDE:

- ▶ Assistive Technology
- ▶ Behavior Support & Consultation
- ▶ Behavioral Health Stabilization
- ▶ Community Engagement
- ▶ Environmental & Vehicle Modifications
- ▶ Peer Mentoring
- ▶ Person Centered Planning Facilitation
- ▶ PT, OT, Speech, Hearing & Language
- ▶ Sexual Deviancy Evaluation
- ▶ Respite Care
- ▶ Skilled Nursing
- ▶ Specialized Medical Equipment & Supplies
- ▶ Staff/Family Consultation & Training
- ▶ Supportive Parenting Services
