

# During a flood

Water can be deeper than it looks and more dangerous.

## SAFETY TIPS

Do not walk or drive through flooded areas.

Stay away from moving water.

Stay away from downed power lines.

Turn off the utilities if your house is flooded.

Don't pump the basement until floodwater recedes.

6"

(inches) of moving water can sweep you off your feet.

2'

(feet) of water can easily sweep away a car.
