

# Youth Transition Summer Workshop

*Job preparation activities*

*College preparation activities*

*Get motivated*

*Make new friends*

*All you can eat meals!*

This workshop is for young people with disabilities who are planning to go to college, get a job, and live independently in the community in the future. Room and board is provided and transportation will be coordinated. Youth with 504 plans are encouraged to apply.

*\* For ages 16-21. Parental permission required for students under age 18.*

Individuals wanting to attend the workshop must call to request an application before June 8th.
