

How to Order Personal Protective Equipment:

As an Individual provider you can request Personal Protective Equipment (PPE) by following the instructions below. You can order PPE one time each month unless you need to place a new order because a client you are serving is confirmed as COVID positive or is showing COVID related symptoms.

Follow these instructions to place an order:

1. If you have access to the internet go to <https://www.research.net/r/RequestPPE> and fill out the required information: name, address, provider number, number of clients etc. If you have any questions regarding the online ordering process please contact PPEBranch.Itcimt@dshs.wa.gov.
2. If you don't have access to the internet contact the Area Agency on Aging or Developmental Disability Administration point of contact. The point of contact will walk you through the process of ordering your PPE. You only need to contact one person in your county and you can call or send an email. If you are serving a Developmental Disability client, please contact Barb Uehara at pperequest@dshs.wa.gov or 360-407-1593.

Area Agency on Aging Point of Contacts. Find your county and call or email one Point of Contact.
